

## **Term Two Kindergarten Update ~ Dates for your Diary**

What a wonderful, busy term we have had! Term two is where we see a lot of growth in Kindergarten, and this year is certainly no exception. We have enjoyed listening to your children present their "special news", sharing a special thing, place or person over the past few weeks. The children have all been so comfortable speaking in front of the group and we have all learned a lot! We look forward to hearing more over the coming weeks.

We have a lot of learning and fun coming up in the last two weeks of term. The school website calendar is a great place to check what's happening and be sure to keep checking out our Kindergarten blog.

**Mrs Dunn** - You may have noticed that Mrs Dunn has not been at school for a little while. She was called in, with very short notice, to have her back operation in Canberra. The operation went well and she has spent the last 3 weeks recovering steadily. KD have been fortunate to have Mrs Kassi Lozzi carry on with classroom routines and teach the class whilst Clare was recovering. Mrs Dunn is now off on her long service leave until the end of term. Mr Max Thompson will be teaching the class for this period of time. Max himself was a student at Broulee public school and we welcome him back to be part of the Kindergarten team.
